

**Application for
Exemption under Part 1
clause 2
Building Act 2004**

**WHANGANUI
DISTRICT COUNCIL**
Te Kaunihera a Rohe o Whanganui

What work requires a building consent?

Schedule 1 of the Building Act lists the few types of building work that do not require a building consent. Such works tend to be of a small scale, being within certain dimensional or volume limitations. Building works exempt from building consent requirements must still comply with the New Zealand Code.

Exemption 2 allows a discretionary decision to be made by Whanganui District Council to exempt proposed building work from the requirement to obtain a building consent in circumstances specified.
