In considering the application for special licence the committee had regard to the following criteria under section 142 of the Act:

- (a) the object of this Act:
- (b) the nature of the particular event for which the licence is sought and, in particular,—
  - (i) whether the applicant is engaged in, or proposes at the event to engage in, the sale of goods other than alcohol, low-alcohol refreshments, non-alcoholic refreshments, and food, and if so, which goods; and
  - (ii) whether the applicant is engaged in, or proposes at the event to engage in, the provision of services other than those directly related to the sale of alcohol, low-alcohol refreshments, non-alcoholic refreshments, and food, and if so, which services:
- (c) the suitability of the applicant:
- (d) any relevant local alcohol policy:
- (e) whether (in its opinion) the amenity and good order of the locality would be likely to be reduced, by more than a minor extent, by the effects of the issue of the licence:

- (g) the design and layout of the premises concerned:
- (h) whether the applicant has appropriate systems, staff and training to comply with the law:

- (k) the applicant's proposals relating to—
  - (i) the sale and supply of non-alcoholic drinks and food; and

### 3. Reporting Agencies

The following reports were received under section 141 of the Act.

**Police Report** – No opposition within report received on 25 November 2020.

**Medical Officer of Health** – No objection within report received on 14 December 2020.

**Licensing Inspector Report** – Full report provided by the inspector including assessment of application against section 142 criteria. The Inspector concludes that the application is complete and will likely meet the criteria of the Act. Draft conditions are also offered by the inspector.

The complete file contained the following pertinent points –

- The applicant is an incorporated society (sporting - cricket).
- The applicant has held similar type special licences previously and has not come to the notice of enforcement agencies previously.
- Suitability is not challenged.

- The premise has been in existence for some years, is located on a Council reserve/sports grounds, and an extra special licence should not reduce amenity and good order of the locality.
- The premise is suitable for the type of events listed and layout has been suitable in the past. The sale and supply of alcohol will only happen on the premises. The premises is a cricket pavilion with the bar upstairs. Care will need to be taken by the named managers to ensure alcohol is not purchased, removed and consumed outside the premises as the pavilion is the only area licensed.
- The hours appear reasonable for the event being undertaken.
- The applicant has nominated four non-certified managers to manage the events. A s. 213(2) waiver is granted for these persons to act as managers.
- A non-designation for the entire premise is supported.
- Both the Police and MOH have no opposition to the application

#### 4. Decision

The application for Special Licence is **Approved** for issue subject to the conditions outlined in the inspectors report.

**DATED** at Whanganui this 7th day of January, 2021.
