7. **Further Information:**

- **Whanganui District Licensing Committee – Direction Notice - Objection Status**
- **Information on “Public Hearings – How they Work”**

## **Business**

### **Introduction:**

The following item of business will be considered:

The Whanganui District Licensing Committee received an application from Shree Sai Holdings (New Plymouth) Limited to renew Off-Licence (36/OFF/003/2018.1).

The renewal application was made under s.127 of the Sale and Supply of Alcohol Act 2012 and accordingly publically notified.

Section. 129/103 reports were received from the Inspector and Medical Officer of Health offering no opposition. No report was received within the statutory timeframe from Police therefore in accordance with s. 103(4) the Committee must assume Police have no opposition to the application.

The application attracted six objections within the prescribed statutory timeframe.

The Whanganui District Licensing Committee considered the status of each of the objections in a ‘Direction Notice – Objection Status’ dated 28 February 2020. That Notice is referenced to this agenda and found that all the objectors had ‘status’ except Relapse Prevention and Recovery Care Group. That said the Committee is prepared to hear further evidence from this Group at a hearing to determine final objection standing.

Accordingly the matter is set down for Public Hearing.

The following persons may appear and be heard, whether personally or by counsel, and call, examine, or cross-examine witnesses, in any proceedings:

- (a) The Applicant:
- (b) Any Objector:
- (c) An Inspector:
- (d) A Constable:
- (e) A Medical Officer of Health
