I am fully agreeable with the proposed fee increases. They do not appear to be over the top and are inline with the rate of inflation

The Men's Shed Wanganui is a Registered Charity, Non-Profitable Organisation.

Our objective is "to provide a safe environment to enhance members' health and wellbeing". Our membership consists of almost all retirees, and we are all volunteers.

Our Submission:

Is Council sympathetic to organisations such as ours, who are prepared to spend big money building permanent premises, on council land. To do this, we would need a commitment from council regarding a fixed "pepper-corn" ground rental, and relief for ongoing council expenses i.e. Rates, consent fees etc.

We are an affiliate member of "Menz Shed NZ". In talking to sheds throughout the country, it seems that most councils are very supportive of our organisation.
