# RAPID Number request

# Wanganui District Council

RAPID stands for **R**ural **A**ddress **P**roperty **ID**entification. It serves as the street address for rural properties.

RAPID numbers are based on the distance of your property from the beginning of the road on which it is located.

The RAPID number identifies a property by being placed on a reflective number plate that is highly visible at night. The RAPID plate is attached to a conspicuous place at your properties vehicle entranceway. It is also useful to your service providers like Telecom and NZ Post.
