3. Reporting Agencies

The following reports were received under section 141 of the Act.

Police Report – No opposition within report received on the 21 August 2018.

Medical Officer of Health – No opposition within report received on 20 August 2018.

Licensing Inspector Report – Full report provided by the inspector including assessment of application against section 142 criteria. The Inspector concludes that the application is complete and will likely meet the criteria of the Act. Draft conditions are also offered by the inspector.

The full file including inspectors report noted the following pertinent points:

- The applicant is a body corporate incorporated.
- The applicant needs a special licence to sell to attendees for the special occasion as a fundraiser.
- The applicant has not come to the notice of enforcement agencies previously.
- Suitability is not challenged.
- The premise has held special licences before and an extra special licence should not reduce amenity and good order of the locality.
- The premise is suitable for the type of event and layout has been suitable in the past. The marked floor plan was included.
- The hours appear relevant for the event being undertaken.
- A non certified manager is nominated for the event including other staff. This is seen as sufficient to cover the function. A s. 213(2) waiver is sought for the non certified manager.
- A designation for the event is not requested.
- Both the Police and MOH have no opposition to the application

4. Decision

The application for Special Licence is **Approved** for issue subject to the conditions outlined in the inspectors report.
