**RESERVED DECISION OF THE WHANGANUI DISTRICT LICENSING COMMITTEE**

**1. Application**

On the 23 November 2022, **Bricklane Limited** on the prescribed form made application for renewal of an On-licence. This is the first renewal application by the licensee. The applicant has run a licensed premise on the property for a number of years.

The application for renewal of On-licence is in relation to the premises known as '*Mint Café and Bar*' situated at 1-5 Maria Place, Whanganui.

The general nature of the business is that of a 'Restaurant Type ON-licence'. The renewal application seeks to renew with the same conditions. The premise has not come to the notice of authorities in an adverse manner during the renewal period.

The complete file included –

- The application
- Fire evacuation compliance statement
- Host Responsibility Plan
- Owner permission letter
- Food/Drinks list
- Floor plan
- Photo's
- Copy of draft public notice and public display
- Existing Licence
- Reports from Police, Medical Officer of Health and Inspector

**2. Decision Making**

In considering this application for On-Licence the licensing committee had regard to the criteria under section 131 and 105 of the Act. Section 105 assessments were made using the inspector's full report and own assessment. I accept the inspector's assessment and recommendations.

Key matters raised in complete file including the inspector's report were –

- The applicant is a private company who has operated the licence during the renewal period without apparent issue. There are no changes to the company structure within the renewal period. The applicant is a well-known licensee with good experience in the industry. The premise has been licensed for some years now with no apparent issues known. The applicant has named three managers for the licence which is seen as adequate for this type of licence.

- The premise has not come to the notice of authorities in regard to SSAA matters in an adverse manner during the renewal period. The applicant is a private company with one Director and two shareholders.
- The applicant provided a host responsibility plan that if followed should ensure the object of the act is met.
- The applicant appears to have appropriate systems, staff and training to comply with the law.
- The Inspector concludes that applicant's suitability is not challenged.
- The hours wanting to be renewed, including designations, are -  
**Monday to Sunday 8:00am to 10:00pm "Undesignated";**

**Monday to Sunday 10.00pm to 2.00am the following day "Supervised"**

The exterior areas **Monday to Sunday 9.00am to 11.00pm "Undesignated"**

- No CPTED or amenity or good order issues raised with renewal. There is no reason to believe the amenity and good order of the locality would likely to be increased, more than a minor extent, by the effects of a refusal to renew the licence.
- The applicant has satisfactory systems for staff training and performance.
- The application accords with the LAP, with conditions attached to the licence.

### 3 Reporting Agencies

The following reports were received under section 103 of the Act and taken into account during the decision.

**3.1 Police** – No opposition.

**3.2 Medical Officer of Health** – Report received on 22 November 2022, of no opposition.

**3.3 Licensing Inspector** – Full report dated 23 November 2022. The inspector has no opposition to the application and assessed the application against s. 105 matters with no matters of opposition raised. The inspector concludes that the application is complete and appears to meet the criteria for renewal of the licence.

### 4 Conclusion

Based on the evidence provided to me within the complete file, my assessment above of section 105 matters and the past operation of the premise/licensee, I conclude that the application by **Bricklane Limited** meets the statutory criteria to be granted a renewal of On-Licence under the Act for a period of three (3) years, from the expiry date of the previous licence.

The licence will be subject to the conditions outlined in the Inspectors report.

### 5 Decision

Accordingly the application is **Approved** for issue immediately.

**Dated at Whanganui District this 23 day of November 2022.**
