### 3. Reporting Agencies

The following reports were received under section 141 of the Act.

**Police Report** – No opposition within report dated 25 November 2025.

**Medical Officer of Health** – No opposition within report received on 3 December 2025.

**Licensing Inspector Report** – Full report provided by the inspector including assessment of application against section 142 criteria. The Inspector concludes that the application is complete and will likely meet the criteria of the Act. Draft conditions are also offered by the inspector.

The complete file including inspectors report noted the following pertinent points–

- The applicant currently holds an on licence but requires a special licence to extend the current trading area for the event to the ground floor on the site plan.
- This is an annual event as part of Heritage Weekend and the applicant has run this part of the event before without any known issue.
- The applicant has not come to notice of authorities previously.
- Suitability is not challenged.
- The area is the ground floor of 40 Drews Avenue, Whanganui (old Sourbros). It is in the CBD. An extra special licence for this type of event should not reduce amenity and good order of the locality.
- The hours appear reasonable for the event being undertaken.
- A certified manager is nominated for the event and will be supported by other staff.
- A '**Supervised**' designation for the whole licensed area has been recommended and supported. The area is shown on the marked-up plan and should be clearly delineated on the day.
- Both the Police and MOH have no opposition to the application.

### 4. Decision

The application for Special Licence is **Approved** for issue subject to the conditions outlined in the inspector's report.

**DATED** at Whanganui this 10<sup>th</sup> day of December 2025.
