RESERVED DECISION OF THE WHANGANUI DISTRICT LICENSING COMMITTEE

1. Application

Kaierau Rugby Football Club made the application on the prescribed form received on 10th August 2016. The application for renewal of Club Licence is in relation to the clubs premises at 100 Devon Road, Whanganui.

The general nature of the business is that of a sports (rugby) club. The Kaierau Rugby Football Club has been incorporated since 1962 and has held a liquor licence for most of those years. The sale and supply of liquor is not the main focus of the club.

The renewal seeks to keep the same conditions as the current licence and the premise has not come to the notice of officials during the renewal period.

The complete file included –

- The application
- Floor plan
- Reports from Police, Medical Officer of Health and Inspector

- Host Responsibility Policy
- Fire Evacuation Scheme letter of compliance
- Certificate of Incorporation
- Food menu
- Copy of current licence
- Notice of renewal
- Copy of public advertisement

2. Decision Making

In considering this application for Club-Licence the licensing committee had regard to the criteria under section 131 and 105 of the Act.

Section 105/131 assessments:

(a) the object of this Act:

The inspector notes that the applicant has supplied a Host Responsibility Policy stating the measures to be undertaken to ensure the responsible sale and supply of alcohol. There have been no issues raised concerning previous operations so if the policy is followed then continued compliance should be able to be achieved.

(b) the suitability of the applicant:

The applicant is an incorporated society since 1962. The applicant has supplied the name of three certified managers for the licence. This is considered to be suitable for this type of club premise. The suitability of the applicant is not challenged.

(c) any relevant local alcohol policy:

No Local Policies currently in place.

(d) the days on which and the hours during which the applicant proposes to sell alcohol:

Applicant has applied for the same days and hours as currently enjoyed i.e.

- Monday, 5pm to 10pm,
- Tuesday, 1pm to 10pm,
- Wednesday and Thursday, 5pm to 11pm.
- Friday, 5pm to Midnight,
- Saturday, 1pm to Midnight
- Sunday and Public Holidays, 1pm to 8pm.

This is seen as adequate and has operated in the past without incident.

(e) the design and layout of any proposed premises:

No CPTED assessment received with application. A floor plan was provided with the application and indicates that no changes to layout have been made since the previous renewal.

(g) whether the applicant is engaged in, or proposes on the premises to engage in, the provision of services other than those directly related to the sale of alcohol, low-alcohol refreshments, non-alcoholic refreshments, and food, and if so, which services:

Currently the focus is on sport, namely rugby.

(j) whether the applicant has appropriate systems, staff, and training to comply with the law:

Previous operations have been satisfactory and therefore systems seem appropriate. The applicant has indicated staff have a good understanding of the Act.

(k) any matters dealt with in any report from the Police, an inspector, or a Medical Officer of Health made under [section 103](#). (see 3 below)

(s.131(1)(b))whether (in its opinion) the amenity and good order of the locality would be likely to be increased, by more than a minor extent, by the effects of a refusal to renew the licence:

No issues raised and agree with inspector's assessment and opinion that amenity and good order should not be compromised by the issue of the licence.

(s.131(1)(d))the manner in which the applicant has sold (or, as the case may be, sold and supplied), displayed, advertised, or promoted alcohol.

No issues raised within file.

3 Reporting Agencies

The following reports were received under section 103 and 129 of the Act and taken into account during the decision.

3.1 Police – Report received on 18th August 2016, of no objection.

3.2 Medical Officer of Health - Report received on 5th September 2016 of no objection.

3.2 Licensing Inspector – Full report dated 9th September 2016. The inspector was satisfied the application is complete and meets the criteria for renewal.

4 Conclusion

Based on the evidence provided to me within the complete file, my assessment above of section 105/131 matters and the past operation of the premise/licensee, I conclude that the application meets the statutory criteria to be granted a renewal of Club-Licence under the Act for a period of three (3) years.
