The application was not advertised and no objection or notice of desire to be heard has been received under section 141 of the Act. Accordingly we deal with the matter on the papers in accordance with section 202(1).

In considering the application for special licence the committee had regard to the following criteria under section 142 of the Act:

- (a) the object of this Act:
- (b) the nature of the particular event for which the licence is sought and, in particular,—
  - (i) whether the applicant is engaged in, or proposes at the event to engage in, the sale of goods other than alcohol, low-alcohol refreshments, non-alcoholic refreshments, and food, and if so, which goods; and
  - (ii) whether the applicant is engaged in, or proposes at the event to engage in, the provision of services other than those directly related to the sale of alcohol, low-alcohol refreshments, non-alcoholic refreshments, and food, and if so, which services:
- (c) the suitability of the applicant:
- (d) any relevant local alcohol policy:
- (e) whether (in its opinion) the amenity and good order of the locality would be likely to be reduced, by more than a minor extent, by the effects of the issue of the licence:
- (f) the days on which and the hours during which the applicant proposes to sell alcohol:

- (g) the design and layout of the premises concerned:
- (h) whether the applicant has appropriate systems, staff and training to comply with the law:

### 3. Reporting Agencies

The following reports were received under section 141 of the Act.

**Police Report** – Police report received on the 15 November 2022 offering no opposition.

**Medical Officer of Health** – No opposition within report received on 17 November 2022.

**Licensing Inspector Report** – Full report provided by the inspector including assessment of application against section 142 criteria. The Inspector concludes that the application is complete and will likely meet the criteria of the Act. Draft conditions are also offered by the inspector.

The inspector noted the following pertinent points in her report –

- The applicant is an incorporated society since 1980. The applicant has run similar events in the past.
- Suitability is not challenged.
- The hall is in a rural area and is a community hall. Issuing a special licence should not reduce amenity and good order of the locality.
- The hall is suitable for the type of event and layout has been suitable in the past.
- The hours appear reasonable for the event being undertaken.
- A certified manager (Wendy Sellars) is nominated for the event and will be supported by club members.
- A 'supervised' designation for the whole premise has been recommended and supported.
- Both the Police and MOH have no objections to the application.

### 4. Decision

The application for Special Licence is **Approved** for issue subject to the conditions outlined in the inspectors report.

**DATED** at Whanganui this 19th day of November, 2022.
