### 3. Reporting Agencies

The following reports were received under section 141 of the Act.

**Police Report** – No opposition within report dated 6 January 2025.

**Medical Officer of Health** – No opposition within report received on 18 December 2025.

**Licensing Inspector Report** – Full report provided by the inspector including assessment of application against section 142 criteria. The Inspector concludes that the application is complete and will likely meet the criteria of the Act. Draft conditions are also offered by the inspector.

The complete file contained the following pertinent points –

- The applicant is a body corporate incorporated in 1995.
- The applicant holds a Club Licence but needs a special licence to sell to non-affiliated members for the special occasion.
- The special occasion is the NZ Masters Games with this Club in charge of running the outdoor bowls aspect of the event. Its anticipated approximately 100 people will be in attendance. Attendance is by way of pre-registration.
- The applicant has not come to the notice of enforcement agencies previously.
- Suitability is not challenged.
- The premise and club licence has been in existence for many years and an extra special licence should not reduce amenity and good order of the locality.
- The premise is suitable for the type of event and layout has been suitable in the past. The marked floor plan was included which shows the whole premises/site to be licensed, similar to the Club's substantive licence.
- The hours appear relevant for the event being undertaken.
- A certified manager is nominated for the event including other staff. This is seen as sufficient to cover the event.
- A non-designation for the whole premises is supported.
- Both the Police and MOH have no opposition to the application

### 4. Decision

The application for Special Licence is **Approved** for issue subject to the conditions outlined in the inspectors report.

**DATED** at Whanganui this 6th day of January, 2025.
