The full file including inspectors report noted the following pertinent points –

- This is an annual event that has operated without any known incidents previously.
- The applicant has not come to the notice of enforcement agencies previously.

- The premise is a public domain in the rural area which has Council support for the licence and event. A special licence should not reduce amenity and good order of the locality.
- The area is suitable for the type of event and layout has been suitable in the past. The marked area plan shows the licensed area which is a fenced off building.
- The hours appear reasonable for the event being undertaken.
- No certified managers nominated for the event however a s. 213(2) waiver was sought and supported for **Richard James Collins** to manage the event. Other members will be assisting.
- A request for the licensed area to be 'supervised' is supported.
- Both the Police and MOH have no objections to the application

4. Decision

The application for Special Licence is **Approved** for issue subject to the conditions outlined in the inspectors report and a s.213 (2) waiver.
