### 3. Reporting Agencies

The following reports were received under section 141 of the Act.

**Police Report** – No opposition within report received on 8<sup>th</sup> October 2018.

**Medical Officer of Health** – No opposition within report received on 9<sup>th</sup> October 2018.

**Licensing Inspector Report** – Full report provided by the inspector including assessment of application against section 142 criteria. The Inspector concludes that the application is complete and will likely meet the criteria of the Act. Draft conditions are also offered by the inspector.

The full file including inspector's report noted the following points –

- The applicant is a private individual who is running the event on behalf of the Life Education Trust to raise funds.
- The applicant has been granted special licences over the years which have been well organised.
- The applicant has not come to the notice of enforcement agencies previously.
- Suitability is not challenged.
- The premise is a school hall and the event is on when no children will be present. Granting this special licence should not reduce amenity and good order of the locality.

- The hours appear relevant for the events being undertaken.
- A certified manager is nominated for the event.
- The applicant has requested a 'supervised' designation for the event and this is supported.
- Both the Police and MOH have no objections to the application

### 4. Decision

The application for Special Licence is **Approved** for issue subject to the conditions outlined in the inspectors report.

**DATED** at Whanganui this 12th day of October, 2018.
