The inspector noted the following pertinent points in his report –

- They are using the Defence Force reference and property.
- The applicant has held similar licences before and not come to the notice of enforcement agencies.
- Suitability is not challenged.
- The premise is on Defence force land next to speedway track and defence force. Previous licences have operated well before and should not reduce amenity and good order of the locality.
- The premise is suitable for the type of event and layout has been suitable in the past. Floor plan was supplied.
- The hours appear relevant for the event being undertaken.
- A certified manager is nominated for the event plus two other persons. This is seen as sufficient to cover the function.
- A *supervised* designation for the event is supported.
- Both the Police and MOH have no objections to the application

4. Decision

The application for Special Licence is **Approved** for issue subject to the conditions outlined in the inspectors report.
