The following reports were received under section 141 of the Act.

Police Report – No opposition within report received on 20 August 2019.

Medical Officer of Health – No opposition within report received on 27 August 2019.

Licensing Inspector Report – Full report provided by the inspector including assessment of application against section 142 criteria. The Inspector concludes that the application is complete and will likely meet the criteria of the Act. Draft conditions are also offered by the inspector.

The complete file noted the following key matters –

- The applicant is the Sarjeant Gallery Trust Board.
- The applicant has run similar events in the past with no known issues arising.
- These are community engagement fundraising activities, suitability is not challenged.
- The premise has been in existence for a few years, is zoned for such events and an extra special licence should not reduce amenity and good order of the locality.
- The premise is suitable for the type of event and layout has been suitable in the past. The marked floor plan was included which is the main hall.
- The hours appear relevant for the events being undertaken.
- Alcohol consumption will be minimal for the events.
- No certified manager is nominated for the events. Staff and security will be employed to control the evenings. A s. 213(2) waiver is recommended for **Raewyn Johnson** to act as manager for the events.
- A designation for the events is not requested or required.
- Both the Police and MOH have no opposition to the application.

4. Decision

The application for Special Licence is **Approved** for issue subject to the conditions outlined in the inspectors report, a s 213(2) waiver and being issued.

DATED at Whanganui this 6 September 2019.
