RESERVED DECISION OF THE WHANGANUI DISTRICT LICENSING COMMITTEE

1. Application

On the 26th October 2017, Tangpanithan Limited on the prescribed form made application for renewal of an On-licence (Restaurant).

The application for renewal of On-Licence is in relation to the premises known as '*Thai House Express 2*' situated at 194 Victoria Avenue, Whanganui.

The general nature of the business is that of a 'Restaurant'. The renewal application seeks to renew with the same existing conditions. The premise is undesignated and has not come to the notice of authorities in an adverse manner during the renewal period.

The complete file included –

- The application

- Fire evacuation compliance statement
- Certificate of Incorporation
- Host Responsibility Plan
- Food/Drinks list
- Floor plan
- Copy of draft public notice and public display
- Existing Licence
- Reports from Police, Medical Officer of Health and Inspector

2. Decision Making

In considering this application for On-Licence the licensing committee had regard to the criteria under section 131 and 105 of the Act. Section 105 assessments were made using the inspector's full report and own assessment. I accept the inspector's assessment and recommendations.

Key matters raised in complete file including the inspector's reports were –

- The applicant is a private company incorporated in 2005. The premises has been operating and licensed for eight years now.
- The premises has not come to the notice of authorities in an adverse manner during the renewal period.
- The applicant provided a host responsibility plan that if followed should ensure the object of the act is met.
- Two certified manager's names were put forward for the licence which is considered to be satisfactory. One other person has made application for a manager's certificate. The applicant appears to have appropriate systems, staff and training to comply with the law.
- There were no reports questioning suitability and neither do I.
- The current hours wanting to be renewed have operated without incident i.e.

Monday to Sunday, between 10.00am to 10.00pm each day,

- Floor plan provided works well for the general business held on the premises.
- Current non designation across the entire premise to remain.

- No CPTED or amenity or good order issues raised with renewal. There is no reason to believe the amenity and good order of the locality would likely to be increased, more than a minor extent, by the effects of a refusal to renew the licence.
- The applicant has appropriate systems for staff training and performance.

3 Reporting Agencies

The following reports were received under section 103 of the Act and taken into account during the decision.

3.1 Police – Report received on 8th November 2017, of no opposition.

3.2 Medical Officer of Health – Report received on 22nd November 2017, of no opposition.

3.3 Licensing Inspector – Full report dated 28th February 2018. The inspector has no opposition to the application and assessed the application against s. 105 matters with no matters of opposition raised. The inspector concludes that the application is complete and appears to meet the criteria for renewal of the licence with existing conditions.

4 Conclusion

Based on the evidence provided to me within the complete file, my assessment above of section 105 matters and the past operation of the premise/licensee, I conclude that the application meets the statutory criteria to be granted a renewal of On-Licence under the Act for a period of three (3) years, from the expiry date of the previous licence.

 - there are on the premises, and readily accessible to the customers, staff able to give them comprehensive and accurate information about the forms of transport from the premises that are available at that time; and
 - those staff will on demand give any customer appropriate advice free.
- (f) The licensee must ensure that for each principal entrance to the premises there is displayed at all times a sign attached to the inside or outside of the premises, so as to be easily read by people immediately outside the entrance, stating the ordinary hours of business during which the premises are open for the sale of alcohol
