The following reports were received under section 141 of the Act.

Police Report – No opposition within report received on 27 May 2021.

Medical Officer of Health – No opposition within report received on 31 May 2021.

Licensing Inspector Report – Full report provided by the inspector including assessment of application against section 142 criteria.

The file included the following pertinent points –

- The applicant is a private company who run a licensed On-licence establishment and this special licence is to licence the public space outside their premises for the purposes of a community event i.e. Lights on Bikes.
- The applicant holds an On-Licence but needs a special licence to sell in another area to persons attending the event.
- The applicant has not come to the notice of enforcement agencies previously.
- Suitability is not challenged.
- The area is part of the roadway that is closed for the event, is part of the CBD area and an extra special licence should not reduce amenity and good order of the locality.
- The area is suitable for the type of event and layout should not be an issue. The licensed area will be demarcated.
- The hours appear reasonable for the event being undertaken.
- Certified managers are nominated for the event including other staff. This is seen as sufficient to cover the function.
- A supervised designation for the event is supported.
- Both the Police and MOH have no opposition to the application

4. Decision

The application for Special Licence is **Approved** for issue subject to the conditions outlined in the inspectors report.

DATED at Whanganui this 1st of June, 2021.
