RESERVED DECISION OF THE WHANGANUI DISTRICT LICENSING COMMITTEE

1. Application

On the 20 February 2024, **Wanganui Function Centre Limited** on the prescribed form made application for renewal of an On-licence. This is the third renewal application by the licensee.

The application for renewal of On-Licence is in relation to the premises known as '*Wanganui Function Centre*' situated at 19A Purnell Street, Whanganui.

The general nature of the business is that of a 'Function Centre Type On-licence'. The renewal application seeks to renew with the same conditions. The premise has not come to the notice of authorities in an adverse manner during the renewal period.

The complete file included –

- The application
- Fire evacuation compliance statement
- Host Responsibility Plan
- Owner permission letter
- Food/Drinks list
- Floor plan
- Photo's
- Copy of draft public notice and public display
- Existing Licence
- Reports from Police, Medical Officer of Health and Inspector

2. Decision Making

In considering this application for On-Licence the licensing committee had regard to the criteria under section 131 and 105 of the Act. Section 105 assessments were made using the inspector's full report and own assessment. I accept the inspector's assessment and recommendations.

Key matters raised in complete file including the inspector's report were –

- The applicant is an incorporated society (2017) with ten directors and one shareholder (one less director than last renewal). The applicant has operated the licence during the renewal period without apparent issue. The premise has been licensed for seven year's now under the current licensee with no apparent issues known. The applicant has named three managers for the licence which is seen as adequate for this type of licence.
- The applicant provided a host responsibility plan that if followed should ensure the object of the act is met.
- The applicant appears to have appropriate systems, staff and training to comply with the law.
- The Inspector concludes that applicant's suitability is not challenged.
- The hours wanting to be renewed are -
Monday to Sunday, between 8.00am to 2.00am the following day.
- Site/floor plan provided works well for the general nature of the business held on the premises. The licensed area is to be 'undesignated' which is appropriate for the diverse nature of the licence.

- No CPTED or amenity or good order issues raised with renewal. Previous historical noise issues with a past licensee have largely resolved themselves and seemed to be managed well by current licensee. There is no reason to believe the amenity and good order of the locality would likely to be increased, more than a minor extent, by the effects of a refusal to renew the licence.
- The applicant has satisfactory systems for staff training and performance.
- The application accords with the LAP.

3 Reporting Agencies

The following reports were received under section 103 of the Act and taken into account during the decision.

3.1 Police – Report received on 4 March 2024, of no opposition.

3.2 Medical Officer of Health – Report received on 7 March 2024, of no opposition.

3.3 Licensing Inspector – Full report dated 2 April 2024. The inspector has no opposition to the application and assessed the application against s. 105 matters with no matters of opposition raised. The inspector concludes that the application is complete and appears to meet the criteria for renewal of the licence.

4 Conclusion

Based on the evidence provided to me within the complete file, my assessment above of section 105 matters and the past operation of the premise/licensee, I conclude that the application by **Wanganui Function Centre Limited** meets the statutory criteria to be granted a renewal of On-Licence under the Act for a period of three (3) years, from the expiry date of the previous licence.

The licence will be subject to the conditions currently enjoyed by the applicant.

5 Decision

Accordingly the application is **Approved** for issue immediately.

Dated at Whanganui District this 2nd day of April 2024.

Signed

.....
Stuart Hylton
Whanganui District Licensing Commissioner
