The application was not advertised and no objection or notice of desire to be heard has been received under section 141 of the Act. Accordingly, we deal with the matter on the papers in accordance with section 202(1).

In considering the application for special licence the committee had regard to the following criteria under section 142 of the Act:

*(a) the object of this Act:*

*(b) the nature of the particular event for which the licence is sought and, in particular,—*

*(i) whether the applicant is engaged in, or proposes at the event to engage in, the sale of goods other than alcohol, low-alcohol refreshments, non-alcoholic refreshments, and food, and if so, which goods; and*  
*(ii) whether the applicant is engaged in, or proposes at the event to engage in, the provision of services other than those directly related to the sale of alcohol, low-alcohol refreshments, non-alcoholic refreshments, and food, and if so, which services:*

*(c) the suitability of the applicant:*

**3. Reporting Agencies**

The following reports were received under section 141 of the Act.

**Police Report** - No opposition in report dated 8 February 2026.

**Medical Officer of Health** – No opposition within report received on 26 January 2026.

**Licensing Inspector Report** – Full report provided by the inspector including assessment of application against section 142 criteria. The Inspector concludes that the application is complete and will likely meet the criteria of the Act. Draft conditions are also offered by the inspector.

The complete file contained the following pertinent points –

- The applicant is a body corporate incorporated in 1912.
- The applicant holds a Club Licence but needs a special licence to sell to non-members for the special occasion. the applicant has described this as a private function (not exclusively Club Membership) to host an engagement party (Abby Turner and Chris Feaver). This is an 'Invitation Only, event. The applicant estimates that the event may attract approximately 110 people (medium event) of all ages including younger family members (Minors).
- The applicant has not come to the notice of enforcement agencies previously.
- Suitability is not challenged.
- The premise and club licence has been in existence for many years, and an extra special licence should not reduce amenity and good order of the locality.
- The premise is suitable for the type of event and layout has been suitable in the past. The floor plans are unchanged from those subject to the substantive existing Club licence conditions. The licensed area is described as those areas being the 'Dance Floor', 'Dining/Lounge' and 'Terrace Lounge' areas.
- The hours appear relevant for the event being undertaken.
- A certified manager is nominated for the event including other staff. This is seen as sufficient to cover the function.
- A non-designation for the event is requested and supported.
- Both the Police and MOH have no opposition to the application.

#### 4. **Decision**

The application for Special Licence is **Approved** for issue subject to the conditions outlined in the inspector's report.

**DATED** at Whanganui this 13<sup>th</sup> day of February 2026.
