### 3. Reporting Agencies

The following reports were received under section 141 of the Act.

**Police Report** – No opposition within Police report dated 31 October 2024.

**Medical Officer of Health** – No opposition within report received on 31 October 2024.

**Licensing Inspector Report** – Full report provided by the inspector including assessment of application against section 142 criteria. The Inspector concludes that the application is complete and will likely meet the criteria of the Act. Draft conditions are also offered by the inspector.

The complete file and inspectors report noted the following pertinent points in determining this application –

- The applicant is a body corporate incorporated in 1971.
- The applicant has described this as a (University Degree) 'Graduation Celebration' (Club member) where Club members will be in attendance but where additionally non-affiliated people will also be attending. The applicant estimates that the event may attract up to 100 people (small event) where attendance is likely less and mature people but also families made up of persons of all ages (including minors). Event attendance is by invitation only and is limited to bona-fide guests. The venue is solely available to this event.
- The applicant has not come to the notice of enforcement agencies previously.
- Suitability is not challenged.
- The premise and club licence has been in existence for many years and an extra special licence should not reduce amenity and good order of the locality.
- The premise is suitable for the type of event and layout has been suitable in the past. The marked floor plan was included which for this event is the entire venue.
- The hours appear relevant for the event being undertaken.
- Certified managers are nominated for the event including other security staff. This is seen as sufficient to cover the functions.
- A non-designation for the event is requested and supported.
- Both the Police and MOH have no objections to the application

### 4. Decision

The application for Special Licence is **Approved** for issue subject to the conditions outlined in the inspectors report.

**DATED** at Whanganui this 1 day of November, 2024.
