### 3. Reporting Agencies

The following reports were received under section 141 of the Act.

**Police Report** – No objection within report received on 30<sup>th</sup> January 2017.

**Medical Officer of Health** – No objection within report received on 18<sup>th</sup> January 2017.

**Licensing Inspector Report** – Full report provided by the inspector including assessment of application against section 142 criteria. The Inspector concludes that the application is complete and will likely meet the criteria of the Act. Draft conditions are also offered by the inspector.

The inspector noted the following pertinent points in his report –

- The applicant is an incorporated society (sporting club).
- The applicant has held similar type special licences previously and has not come to the notice of enforcement agencies previously.
- Suitability is not challenged.
- The premise has been in existence for some years, is located on a Council reserve/sports grounds, and an extra special licence should not reduce amenity and good order of the locality.
- The premise is suitable for the type of event and layout has been suitable in the past. The sale and supply of alcohol will only happen on the premises.
- The hours appear reasonable for the event being undertaken.
- The applicant has nominated three persons to manage the licence. One is a certified manager however two others are not. It is recommended Stephen Holloway and Blair Jarrett have the requirement for certification waived under s. 213(2) of the Act.
- No designation for the event is supported.
- Both the Police and MOH have no objections to the application

### 4. Decision

The application for Special Licence is **Approved** for issue subject to the conditions outlined in the inspectors report and a s. 213(2) waiver under the Act to allow Stephen Holloway and Blair Jarrett to be managers for this licence without being certified.
