**RESERVED DECISION OF THE WHANGANUI DISTRICT
LICENSING COMMITTEE**

1. Application

On the 8th June 2017, Stable Sportz Bar Limited on the prescribed form made application for renewal of their on-licence.

The application for renewal of On Licence is in relation to the premises known as '*Gonville Sports Bar*' situated at 5a Puriri Street, Whanganui.

The general nature of the business is that of an On-Licence Tavern. The premises has been licensed since 2004 and under the current licensee since 2011. The renewal application seeks to renew with the same existing conditions including retaining a 'supervised' designation for the whole premise.

The complete file included –

- The application

- Letter from applicant's lawyer giving explanation as to why application was made outside statutory timeframe.
- Fire evacuation scheme compliance statement
- Host Responsibility Policy
- Menu
- Floor plan
- Copy of draft public notice
- Existing Licence
- Reports from Police, Medical Officer of Health and Inspector

2. Decision Making

In considering this application for On-Licence the licensing committee had regard to the criteria under section 131 and 105 of the Act. Section 105 assessments were made using the inspector's full report and own assessment. I accept the inspector's assessment and recommendations.

Key matters raised within the full application file including reports, were –

- The applicant is a private company incorporated in 2010 with two shareholders.
- The premises has not come to the notice of authorities in an adverse manner during the renewal period.
- The applicant provided a host responsibility policy that if followed should ensure the object of the act is met.
- Two certified managers were put forward for the licence which is considered to be suitable. The applicant appears to have appropriate systems, staff and training to comply with the law.
- Suitability is not challenged.
- The current hours wanting to be renewed have operated without incident i.e. 8.00am to 11.00pm.
- Floor plan provided shows the whole premise as having a 'supervised' designation.
- No CPTED or amenity or good order issues raised with renewal. There is no reason to believe the amenity and good order of the

locality would likely to be increased, more than a minor extent, by the effects of a refusal to renew the licence.

- The applicant has appropriate systems for staff training and performance.

3 Reporting Agencies

The following reports were received under section 103 of the Act and taken into account during the decision.

3.1 Police – No report received within statutory timeframe therefore in accordance with Act provisions it's presumed there is no opposition.

3.2 Medical Officer of Health – Report received on 29th June 2017, of no opposition.

3.3 Licensing Inspector – Full report dated 17th July 2017. The inspector has no opposition to the application and assessed the application against s. 105 matters with no matters of opposition raised. The inspector concludes that the application is complete and appears to meet the criteria for grant of the licence.

4 Conclusion

Based on the evidence provided to me within the complete file, my assessment above of section 105 matters and the past operation of the premise/licensee, I conclude that the application meets the statutory criteria to be granted a renewal of On-Licence under the Act for a period of three (3) years.

 - there is readily available to the customers, free, comprehensive, and accurate information about the forms of transport from the premises that are available at that time; and
 - there are on the premises, and readily accessible to the customers, staff able to give them comprehensive and accurate information about the forms of transport from the premises that are available at that time; and
 - those staff will on demand give any customer appropriate advice free.
- (f) The licensee must ensure that for each principal entrance to the premises there is displayed at all times a sign attached to the inside or outside of the premises, so as to be easily read by people immediately outside the entrance, stating the ordinary hours of business during which the premises are open for the sale of alcohol
- (g) The licensee must ensure that at all times a copy of the licence, together with a statement of all conditions subject to which it is issued, together with a copy of the floor plan: is displayed -

observed and must display appropriate signs adjacent to every point of sale detailing the statutory restrictions on the supply of liquor to minors and the complete prohibition on sales to intoxicated persons.
