The application was not advertised and no objection or notice of desire to be heard has been received under section 141 of the Act. Accordingly, we deal with the matter on the papers in accordance with section 202(1).

In considering the application for special licence the committee had regard to the following criteria under section 142 of the Act:

- (a) *the object of this Act:*
- (b) *the nature of the particular event for which the licence is sought and, in particular,—*
 - (i) *whether the applicant is engaged in, or proposes at the event to engage in, the sale of goods other than alcohol, low-alcohol refreshments, non-alcoholic refreshments, and food, and if so, which goods; and*
 - (ii) *whether the applicant is engaged in, or proposes at the event to engage in, the provision of services other than those directly related to the sale of alcohol, low-alcohol refreshments, non-alcoholic refreshments, and food, and if so, which services:*
- (c) *the suitability of the applicant:*
- (d) *any relevant local alcohol policy:*
- (e) *whether (in its opinion) the amenity and good order of the locality would be likely to be reduced, by more than a minor extent, by the effects of the issue of the licence:*

- (g) *the design and layout of the premises concerned:*

- (l) any matters dealt with in any report from the Police, the Medical Officer of Health, or an inspector made under [section 141](#).

3. Reporting Agencies

The following reports were received under section 141 of the Act.

Police Report – No opposition within report dated 5 August 2025.

Medical Officer of Health – No opposition within report received on 6 August 2025.

Licensing Inspector Report – Full report provided by the inspector including assessment of application against section 142 criteria. The Inspector concludes that the application is complete and will likely meet the criteria of the Act. Draft conditions are also offered by the inspector.

The complete file and inspectors report noted the following pertinent points in determining this application –

- The applicant is a body corporate incorporated in 1984.
- The applicant holds a Club Licence but needs a special licence to sell outside normal club premise hours and to non-members for the special occasion. The applicant estimates that the event may attract up to 400 people in total (over the duration of the two-day event) but where attendance at any one game is likely to be less than 100 people
- The applicant has not come to the notice of enforcement agencies previously.
- Suitability is not challenged.
- The premise and club licence has been in existence for many years and an extra special licence should not reduce amenity and good order of the locality.
- The premise is suitable for the type of event and layout has been suitable in the past. The marked floor plan was included which is the club rooms generally.
- The hours appear relevant for the event being undertaken.
- Two certified managers have been appointed by the applicant to provide oversight across the venue and dates to support management and compliance with the Sale and Supply of Alcohol Act 2012. In this matter the Timoti Mitchell Rangī (036/CERT/003/2020 expires 29 November 2026) and Sean James Miller (036/CERT/044/2024 expires 30 June 2028) will support this licence.
- A non-designation for the event is requested and supported.
- Both the Police and MOH have no objections to the application

4. Decision

The application for Special Licence is **Approved** for issue subject to the conditions outlined in the inspector's report.

DATED at Whanganui this 7th day of August 2025.
