Purchasing 9 Blyth St Durie St.

Submissions REQUESTING WHANGANUI DISTRICT COUNCIL TO PURCHASE 9 BLYTH ST FOR COMMUNITY PURPOSES

We, the undersigned, urge the Council to purchase 9 Blyth St for community purposes. We submit that while Durie Hill has a number of green areas, the addition of 9 Blyth St to reserves on the hill would benefit wider Whanganui and retain for posterity the unique value the area has as a tourist attraction.

The area is a focal point for visitors for several reasons being:

- Extensive and frequently photographed views across Whanganui taking in the distant maunga, Ruapehu and Taranaki, the awa and the moana – the Tasman Sea.
- Proximity to two major attractions, the Durie Hill War Memorial Tower and the Durie Hill Lift and Tunnel.
- Once, a kainga and pa, Kuriarapana, occupied part of the headland.

Purchasing 9 Blyth St would secure the land for future community use and assist in retaining the expansive views. Extending the reserve around the Durie Hill War Memorial Tower enables the tower to be more fully appreciated architecturally and provides an area for beautification, allowing for a return to the original concept of Durie Hill as a "garden suburb".
