Dear Sirs

Further Submission re Plan Change 31: Protected Trees

Enclosed please find our further submission in support of Wanganui District Council's submission re adding two groups of trees to the District Plan (Halswell Street oaks and upper Victoria Avenue planes). We do support other submissions made by Wanganui District Council proposing additions of individual trees to the District Plan, but wish to confine our comments regarding these groups of trees as we consider this should be an important aspect of Council's tree policy.

Also, please note that we were never sent the original documents regarding Plan Change 31, although our Trust is mentioned in section 2.2 of the issues paper as being an organization to be consulted regarding the recording of significant trees in the District.

We wish to make it clear that our interests lie predominantly in the contribution that trees make to Wanganui's townscape. Therefore, we would appreciate being involved in any discussions, surveys or other work Council may be intending to undertake to identify other groups of trees that are appropriate to list in the District Plan.

Yours sincerely

Wendy Pettigrew
Chair
