

Plan Change 35 – Airport Enterprise Zone and Air Noise Overlays – Summary of Submissions

Submitter Name: Wanganui Handgun Silhouette Club and Wanganui Pistol Club

Submission Number: 1.1c35

Summary:

Ensure that 'Airport Hangar Dwellings' are not sensitive to the operation of the Handgun Silhouette and Wanganui Pistol clubs.

Decision Sought:

Grant the Plan Change subject to any change to ensure that 'Airport Hangar Dwelling' would not be sensitive to the operation of the Handgun Silhouette and Wanganui Pistol clubs.

Submitter Name: Air New Zealand Limited (ANZL)

Submission Number: 2.1c35

Summary:

Supports the Plan change, specifically the establishment of the zone, land use rules associated with air noise contours, and the definition of noise sensitive activities.

Submitter raises concerns regarding the security of, and access to, the airfield, and ensuring the linkage between aviation and any occupiers of Airport Hangar Dwellings, including the notification of subdivision and Aircraft Hangar Dwelling applications.

Decision Sought:

Approve the Plan Change subject to:

- a. Mandatory notification of subdivision and Aircraft Hangar Dwellings applications
- b. Additional mandatory Assessment Criteria for Aircraft Hangar Dwellings and Subdivision to consider:
 - i. Conditions of consent to avoid access by unauthorised persons to the airfield;
 - ii. Methods ensuring that successive occupants of Aircraft Hangar Dwellings are ancillary to the hangar activity and storage of the aircraft;
 - iii. Size limitation of subdivision/prohibition of further subdivision.
 - iv. Methods that ensure that airport security and safety is maintained.
