1. I support or oppose the submission of:
R. BURRIN, 33A MANUKAST, CASTLECLIFF

(Please state name and address of person making original submission and submission number of original submission)

2. The particular parts of the submission I ~~support~~ oppose are:
that the property remain as the same zoning as the community needs these areas due to all the new housing. A great asset to the area for community opportunities.

(Clearly indicate which parts of the original submission you support or oppose, together with any relevant provisions of the Proposed Plan Change. Use additional pages if required)

3. The reasons for my ~~support~~ opposition are:

(Please state in summary the nature of your submission giving clear reasons)

There is already enough high density housing in nearby areas & proposed new housing development between cross st & Manuka st. I believe that any high density housing needs to be in the city closer to all the existing services.
