

Whanganui District

Electing 12 Councillors

Charlie ANDERSON

Independent

My principal place of residence is in the Whanganui District area. I am also standing for elected member of Whanganui District Health Board.

If successful, this will be my third term on council.

I worry some of us make decisions based on our personal wants, beliefs, and religious bias and forget we are here to represent the wider community. I am aware some people are in serious need of help with issues, such as problem gambling, excessive alcohol consumption, sugar drinks, bad diet etc, we should be very concerned, but I never hear the words parental or personal responsibility.

After saying that, I believe this council is one of the best we have had for a very long time, and worry if it is changed greatly, a lot of good work already in the pipeline could be undone, vote carefully.

I am a director of the NZ International Commercial Pilot Academy, and am very excited about its future, this is arguably the best thing that has ever happened to Wanganui.
