

Whanganui District

Electing 12 Councillors

Josh CHANDULAL-MACKAY

Independent

My principal place of residence is in the Whanganui District area. I am also standing for elected member of Whanganui District Health Board.

I am seeking your support to serve another term on the Whanganui District Council. My approach as a councillor over the last three years has centred on positivity, respect, and building good relationships. If re-elected I will champion a number of future-focused initiatives including: housing solutions and retaining our pensioner housing portfolio; climate change adaptation; lobbying central government to reform the way councils are funded; economic development and building social infrastructure; events growth; and supporting arts & culture. I will also continue to focus on advocacy and accessibility. As the councillor with the highest attendance record over the last term, I will bring the same energy and commitment to the new Council. Outside my current role as a district councillor I am an independent marriage & civil union celebrant, Deputy Chair of Youth Services Trust Whanganui, and a Board Trustee at St Anne's Catholic School.
