

Whanganui District

Electing 12 Councillors

Kate JOBLIN

Independent

My principal place of residence is in the Whanganui District area.

I am a chartered accountant and have served three years on Whanganui District Council and previously on the DHB for eleven years, seven as chair.

Whanganui has much to offer as a wonderful place to live. For our community to thrive, Council must look forward, work with others and have a coherent strategy to deliver great results. Pretty much we all want the same things; to live in a vibrant, safe community with good employment and great facilities - somewhere we belong. My proven record as District Councillor, DHB chair and board work in schools and community organisations, plus being a qualified accountant, gives me the expertise to add to our Council team.

I grew up here and with my husband have raised six children. With aging parents and young grandchildren here, I understand and am passionate about the importance of a thriving, safe community. My skills will help take Whanganui forward.
