#### **Brent CROSSAN**

My principal place of residence is in the Whanganui District area.

I'm 37 years of age, born and bred in Whanganui and attended Whanganui High School.

Upon leaving school, I joined the New Zealand Army as an Infantry Man and was posted to 1RNZIR where I served seven years including overseas on operations.

I'm now a local business owner of two successful companies which employs around 25 staff.

I believe that Whanganui is a great place to live and raise my family.

I would like to see Whanganui continue to grow and more families moving to our beautiful city. I'm a firm believer that the Port Development would be a great asset to our town. As we keep growing, we also need to update our infrastructure and open more areas for residential building.

If elected, I'd also strive for kerb side recycling, more events at Cooks Gardens and filling empty buildings in the main street which will bring more employment.
