### **Philippa BAKER-HOGAN**

Velodrome Events Centre

My principal place of residence is in the Whanganui District area. I am also standing for elected member of Whanganui District Health Board.

The growth projections for Whanganui over the next decade and the lack of a large open air covered space in our region must be grabbed to complete the roofing of our Velodrome, as a multi-purpose sports and event centre. I give my commitment to ensuring this project realises the significant sport, health and economic benefits needed. I will continue to speak up to ensure scrutiny of all ratepayer funding, while working positively for realising the economic potential of many growth projects flows right through our community to benefit those struggling the most. Council, Iwi and other key agencies have significant roles to play with Government to provide safe, affordable housing and support for our community to prosper and I seek your support to work hard for those without a voice.

I am energetic, experienced and courageous, with qualifications in Business, Health and Sport.

A vote for me will achieve.
