### **Rob VINSEN**

Ratepayer Focused

My principal place of residence is in the Whanganui District area.

Fighting for the ratepayer, and lowering the cost of Council best describes my focus if I am re-elected. I support a balanced commonsense approach to decision making and believe that a

blend of institutional knowledge and experience, with some new energy added, will make the best Council for our district. In seeking your support I offer you my community, Council, and business experience, and a full commitment to you as an innovative and truly independent councillor.
