#### **Jo MEIKLEJOHN**

Independent

My principal place of residence is in the Whanganui District area.

Having the time now available to be an effective Councillor I offer my services to you the Whanganui Community.

A working background of business analysis and improvement plus strategy development, I know what questions to ask for good decision making.

As a Wanganui Community College Councillor, Government appointee to Regional Employment Access Council, responsible for allocating funds for training towards employment, has given me experience at board level.

Volunteer work for various organisations a previous Ratepayer Association Secretary, being a Justice of the Peace shows my willingness to work for you.

Affordability, Common sense, Experience are what I offer. Eight years in local government means no learning curve.

Council on behalf of you the Community faces social, economic and business decisions not always a ratepayers cost, let's look for alternatives.
