

Whanganui District

Electing 12 Councillors

Dani LEBO

My principal place of residence is in the Whanganui District area.

Tēnā koutou katoa. Ko Dani Lebo tōku ingoa. I'm an educator and business-owner living on a small farm with my husband and three young children. I'm a passionate caring person with a

strong academic and professional background. I work hard, listen well, and am committed to upholding the Treaty of Waitangi.

I support a child-friendly city; a resilient city; empowered citizens.

A child-friendly city means all children can grow, play, and learn feeling safe and supported.

A resilient city protects and uplifts our local taonga - people, skills, and environment.

A strong city has empowered citizens. All residents have their views heard and represented in council decisions.

Our local government should be transparent and equitable. We should make future-focused decisions making Whanganui a place where our grandchildren are excited to live.
