#### **Graeme FOTHERGILL**

My principal place of residence is in the Whanganui District area.

I live in Gonville. Family values are most important to me. I am a member of Central Baptist Church. Environmental care is one of my main concerns because, on leaving school, I worked on the family farm in the Manawatu, then Waitotara. I worked for a season at Longburn Freezing Works, following which I spent two years as a deer culler. This job was a real eye opener. The deer population was eating out large patches of land which, when it rained, scoured out large areas leaving it bare. This has eventually created problems for us and others in built up areas. Whanganui City suffers so I want to declare all-out war on this. I also want to target rats, mice, wild cats, stoats, weasels, wasps and opossums. As I cannot do this alone I want to recruit as many people as possible. If interested call me on 027-360-1797.
