### **Sam MORDEY**

My principal place of residence is in the Whanganui District area.

Whanganui born, educated in Palmerston North, strong background in tourism and manufacturing within the region and owner of Whanganui's most authentic riverboat experience.

Given a wide range of experience and relationships within business and the community, I feel that I am the best candidate to work towards meaningful and measurable results for Whanganui.

I firmly believe that continued economic development across all sectors is essential in generating much-needed, new employment. Having an easy city to do business in also retains existing businesses and attracts new companies to Whanganui. I am a passionate believer in proactive and cost-effective maintenance of public infrastructure both historic and modern. With so many fantastic groups in town, it is essential to continue support for community groups through advocacy, facilitation and funding.

I will strive towards a reasonable reduction of debt to ensure we can commit to future projects.

Sam Mordey - Keeping Whanganui on course.
