

Whanganui District

Electing 12 Councillors

Hadleigh REID

Independent

My principal place of residence is in the Whanganui District area.

It has been a challenging, educating and interesting three years on Council and I have decided to put my name forward again for three more.

Our growing population has created severe housing issues within our community. We have initiated some significant areas of rezoning to allow for more residential development and much needed housing.

We have big plans for our port, the Sarjeant Gallery and our Commercial Pilot Academy, and with a good injection of Central Government funds the next three years will prove to be rather pivotal, and very exciting.

I have been impressed with the calibre of our Mayor, Councillors and the council staff and together we are working hard and working well for all those who call Whanganui home.

With your help, I am looking forward to being part of the next Council and continuing to provide good leadership, vision and decisive decision making.
