#### **Matthew URRY**

My principal place of residence is in the Whanganui District area.

My place of residence is Wanganui  
I am a small business operator, I'm passionate about our community.

Every thought, choice and decision we make, big & small, affects our future - some can even be life altering. We can't change yesterday, but we can shape tomorrow.

Basic foundations for our city are in place we have the chance to revive the best of the past and create a strong united vision for our future.

With hard work, clear communication and accountability we can achieve positive results together. If we listen, hear all voices and work together constructively we can move beyond differences to achieve great outcomes.

I'll keep our strategic assets and believe it is important for us to assure we have safe, healthy and accessible housing. Let's grow a RiverCity where we can stand tall, and be proud.

My business motto has always been solutions, not promises backing Common Sense.
