## Electing 12 Councillors

### **Phillip (Bear) REWETI**

My principal place of residence is in the Whanganui District area.

Tihei Mauri Ora.

My name is Phillip Reweti (Bear). I am running for a seat at the Council table and want to address environmental concerns, local body concerns and the concerns of our local people, which includes amongst other things transparency of Council spending and transparency of council contracts.

I have been involved in community projects and proactive in areas of workers' rights, environmental protection and housing needs.

I believe our youth and elderly are important and want to see that they are looked after.

As our climate changes and sea levels rise, things are not looking too good. Being a father of 9 and a Koro I am thinking of the future for them and all Mokopuna.

I will bring honesty and transparency with a grass roots perspective.
