Notes for the Applicant
Incomplete applications will be returned to the applicant.
Once this application is lodged with the Council, it becomes public information. If there is sensitive information in the proposal, please let us know.
Council may require a registered surveyor to certify contours, natural ground level, building site(s) or structure(s), location of boundaries or any other feature which may affect this proposal.
In order to be eligible for a Deemed Permitted Boundary Activity, the activity must meet the definition of boundary activity under section 87AAB(1) of the Resource Management Act (the Act).
You must provide written approval from all owners of allotments with infringed boundaries under section 87BA(1) of the Act.
If all of the information required under section 87BA(1) of the Act is provided to the consent authority, the consent authority must notify you of your Permitted Boundary Activity within 10 working days after the date on which it receives the information.
The required deposit must be paid before processing of any application will start.
I enclose a fixed fee of \$ for the processing of this application.
Note: A development contribution may be payable as a requirement of processing with an approved development for additional household units.
