2. Application

The application was received on 14 October 2020. The application included a floor plan.

The application was not advertised and no objection or notice of desire to be heard has been received under section 141 of the Act. Accordingly we deal with the matter on the papers in accordance with section 202(1).

In considering the application for special licence the committee had regard to the following criteria under section 142 of the Act:

- (a) the object of this Act:
- (b) the nature of the particular event for which the licence is sought and, in particular,—
 - (i) whether the applicant is engaged in, or proposes at the event to engage in, the sale of goods other than alcohol, low-alcohol refreshments, non-alcoholic refreshments, and food, and if so, which goods; and
 - (ii) whether the applicant is engaged in, or proposes at the event to engage in, the provision of services other than those directly related to the sale of alcohol, low-alcohol refreshments, non-alcoholic refreshments, and food, and if so, which services:
- (c) the suitability of the applicant:
- (d) any relevant local alcohol policy:

- (e) whether (in its opinion) the amenity and good order of the locality would be likely to be reduced, by more than a minor extent, by the effects of the issue of the licence:
- (f) the days on which and the hours during which the applicant proposes to sell alcohol:
- (g) the design and layout of the premises concerned:
- (h) whether the applicant has appropriate systems, staff and training to comply with the law:
- (i) any areas of the premises that the applicant proposes should be designated as restricted areas or supervised areas:
- (j) any steps the applicant proposes to take to ensure that the requirements of this Act in relation to the sale and supply of alcohol to prohibited persons are observed:
- (k) the applicant's proposals relating to—
 - (i) the sale and supply of non-alcoholic drinks and food; and
 - (ii) the sale and supply of low-alcohol drinks; and

- (l) any matters dealt with in any report from the Police, the Medical Officer of Health, or an inspector made under [section 141](#).

3. Reporting Agencies

The following reports were received under section 141 of the Act.

Police Report – No opposition within report received on 4 November 2020.

Medical Officer of Health – No opposition within report received on 28 October 2020.

Licensing Inspector Report – Full report provided by the inspector including assessment of application against section 142 criteria. The Inspector concludes that the application is complete and will likely meet the criteria of the Act. Draft conditions are also offered by the inspector.

The inspector also noted the following pertinent points in her report –

- The applicant is a well-respected business wanting to run an end of business event for staff and families. They will not want any problems with a poorly run event.
- Suitability is not challenged
- The premise has been in existence for many years, is within the CBD and designed for such large events. The event should not reduce amenity and good order of the locality.
- The premise is suitable for the event and layout has been suitable in the past. The area to be licensed is the main hall area. People will be seated at tables for most of the event.
- The hours appear reasonable for the event.
- Three certified managers are nominated as managers for the licence.
- A non designation for the event is supported.
- Both the Police and MOH have no opposition to the application

4. Decision

Accordingly the application for Special Licence is **Approved** for issue subject to the conditions outlined in the inspectors report.

DATED at Whanganui this 6 day of November, 2020.
