- (d) any relevant local alcohol policy:
- (e) whether (in its opinion) the amenity and good order of the locality would be likely to be reduced, by more than a minor extent, by the effects of the issue of the licence:

3. Reporting Agencies

The following reports were received under section 141 of the Act.

Police Report – No opposition within report received on 23 December 2021.

Medical Officer of Health – No opposition.

Licensing Inspector Report – Full report provided by the inspector including assessment of application against section 142 criteria. The Inspector concludes that the application is complete and will likely meet the criteria of the Act. Draft conditions are also offered by the inspector.

The inspector noted the following pertinent points in their s. 141(2) report –

- The applicant has been granted special licences before for this annual event.
- The applicant has not come to the notice of enforcement agencies previously.
- Suitability is not challenged.
- The event takes place on a remote rural farm (shed) without issue previously and another special licence should not reduce amenity and good order of the locality. The owner supports this use of their land.
- The building is suitable for the type of event and layout has been suitable in the past.
- The hours appear satisfactory for the events being undertaken.
- No certified manager is nominated to manage the event although three experienced club members have been named. A section 213(2) waiver is recommended.
- No designation requested or recommended.

- Both the Police and MOH have no opposition to the application.

4. Decision

The application for Special Licence is **Approved** for issue subject to the conditions outlined in the inspectors report and a s. 213 (2) waiver for non-certified manager/s.

DATED at Whanganui this 23 day of December, 2021.
