Decision Making

(5) In considering this application for renewal of Off-Licence the District Licensing Committee (here in after referred to as “the Committee”) had regard to the criteria specified under s. 131 of the Act.

(6) the object of this Act:

The Inspector has inquired into the application seeking evidence that the object of the Act will be complied with under this licence. It's noted that the applicant has not failed any controlled purchase operation or committed any offence that would suggest renewing the licence would result in the object of the Act not be complied with. We agree. The applicant also has suitable policies and manuals that if followed should ensure the Act is complied with.

(7) the suitability of the applicant:

The applicant is an experienced private company incorporated in 2007. The applicant supplied two names of certified managers to be employed on the premises, which is seen as sufficient. There are no matters raised in the reports indicating any non-compliance issues over the renewal period and a CPO of the premises recently revealed no non-compliance issues.

The applicant disclosed a past drink driving offence however this has been addressed previously.

The inspector and reporting agencies do not challenge suitability of the applicant and neither does the Committee.

(8) any relevant local alcohol policy:

The licence and its conditions accords with the LAP together with a new condition around maintaining a register of significant alcohol related incidents.

(9) the days on which and the hours during which the applicant proposes to sell alcohol:

Applicant has applied for the following hours which are one hour earlier than previous.

- **Monday to Sunday 9.00am to 10.00pm**

(10) the design and layout of any proposed premises:

A long standing existing premise with no design and layout issues reported. The premise is a simple open layout with good visibility. A ‘supervised’ designation is applied for again and supported.

(11) whether (in its opinion) the amenity and good order of the locality would be likely to be reduced, to more than a minor extent, by the effects of the issue of the licence:

I accept the inspectors assessment that there have been no complaints about nuisance type offences in the area in the past and in his opinion the amenity and good order of the locality would unlikely to improve by more than a minor extent if the licence was not renewed.

(12) whether the applicant has appropriate systems, staff, and training to comply with the law:

The applicant has nominated two managers of varied experience and skills and runs its own in-house checks of staff. The inspector's report notes the applicant has complied with compliance aspects of the license, maintains excellent staff training programmes and never failed a Police CPO.

Reporting Agencies

(13) The following reports were received under section 103/129 of the Act.

(14) **Police** – Report received on 4 February 2021, offering no opposition.

(15) **Medical Officer of Health** - Report received on 3 February 2021, offering no opposition.

(16) Licensing Inspector

Full report dated 19th February 2021. The inspector provided, amongst other things, his assessment of the application in relation to the Act. He also assessed the application against s105 criteria. This assessment has been referred to in this report.

The inspector concluded that the application is complete and having regard to the required criteria together with the performance of the applicant, he has no opposition to the application being renewed.

Committees Decision and Reasons

(17) Based on the evidence provided to me within the complete file, lack of opposition from the relevant agencies and my assessment above, I conclude that the application meets the s. 105/131 criteria under the Act to be granted renewal of an off-licence for the premise situated at 129 Duncan Street, Wanganui, to be known as 'Black Bull Liquor Duncan Street'.

(18) Accordingly the application is **approved** for **renewal for three years** subject to the conditions currently relating to the licence and payment of any outstanding fees, if any.

Dated at Wanganui District this 19th day of February 2021.

Signed

.....

Wanganui District Licensing Commissioner
