The application was not advertised and no objection or notice of desire to be heard has been received under section 141 of the Act. Accordingly we deal with the matter on the papers in accordance with section 202(1).

In considering the application for special licence the committee had regard to the following criteria under section 142 of the Act:

- (a) the object of this Act:
- (b) the nature of the particular event for which the licence is sought and, in particular,—
  - (i) whether the applicant is engaged in, or proposes at the event to engage in, the sale of goods other than alcohol, low-alcohol refreshments, non-alcoholic refreshments, and food, and if so, which goods; and
  - (ii) whether the applicant is engaged in, or proposes at the event to engage in, the provision of services other than those directly related to the sale of alcohol, low-alcohol refreshments, non-alcoholic refreshments, and food, and if so, which services:
- (c) the suitability of the applicant:
- (d) any relevant local alcohol policy:
- (e) whether (in its opinion) the amenity and good order of the locality would be likely to be reduced, by more than a minor extent, by the effects of the issue of the licence:
- (f) the days on which and the hours during which the applicant proposes to sell alcohol:
- (g) the design and layout of the premises concerned:
- (h) whether the applicant has appropriate systems, staff and training to comply with the law:

(l) any matters dealt with in any report from the Police, the Medical Officer of Health, or an inspector made under [section 141](#).

### 3. Reporting Agencies

The following reports were received under section 141 of the Act.

**Police Report** – No opposition within report dated 9 July 2021.

**Medical Officer of Health** – No opposition within report received on 7 July 2021.

**Licensing Inspector Report** – Full report provided by the inspector including assessment of application against section 142 criteria. The Inspector concludes that the application is complete and will likely meet the criteria of the Act. Draft conditions are also offered by the inspector.

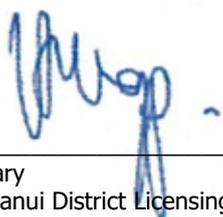

The full file, including inspectors report, noted the following pertinent points:

- The applicant is a social club that have organised special licence functions before.
- The applicant has not come to the notice of enforcement agencies previously.
- Suitability is not challenged.
- The event will only be open to social club members and guests. This application is for a mid-year function.
- The premise is a public facility and the club has an engagement for the event. Extra special licences should not reduce amenity and good order of the locality.
- A marked floor plan was included. Managers will need to ensure patrons do not exit the area with alcohol.
- The hours appear relevant for the events being undertaken.
- A non-certified manager has been nominated to run the event and a s. 213(2) waiver was applied. This is seen as sufficient to cover the functions.
- No designation for the event is requested and supported.
- Both the Police and MOH have no opposition to the application

### 4. Decision

The application for Special Licence is **Approved** for issue subject to the conditions outlined in the inspectors report.

**DATED** at Whanganui this 9<sup>th</sup> July 2021.
