Rural Community Grant Fund

About The Rural Community Grant Fund:

The Whanganui Rural Community Board (WRCB) offers support to smaller community-based projects in our regions. The purpose of the Rural Community Grant Fund is to enable small and nimble projects to get underway. These activities must show a clear community benefit. Grants of up to \$1000 will be considered per project. The WRCB will consider all applications, but funding decisions will be at the discretion of the board. The board will prefer activities which are family and community focused, encourage local participation and fulfil a demonstrated community need.

Funding requirements:

- You submit an application form with a brief description of your project. Application forms must be complete.
- Funding will be limited to one application per project or event per calendar year.
- You indicate how your activity will benefit your community, group or school.
- You provide at least 50% co-funding of the project costs. This may include volunteer and staff time. Volunteer time will be calculated at a rate of \$20 per hour.
- If you receive funding, you sign a funding agreement with the Whanganui Rural Community Board.
- At the conclusion of your project or event, you fill out a short project report using the template which we will provide.

Other important information:

- Applications will be considered at the next nearest meeting of the Whanganui Rural Community Board.
- Priority will be given to community organisations, charities, not for profit societies, iwi, marae, schools and social enterprises.
- Incomplete, late or non-complying applications will not be considered.
- Funding requests must align with the focus areas in the Whanganui Rural Community Board's strategic plan, Rural Directions. This document, and the funding policy, are available to view on the WRCB website.
- Funding is available annually. Once the funding pool is exhausted, applications will close for the year.
