

Suitably Qualified and Experienced Practitioner (SQEP) List: Soil Contamination Assessments

The following organisations contain suitably qualified and experienced professionals to undertake Preliminary/Detailed Site Investigations under the National Environmental Standard for Assessing and Managing Contaminants in Soil to Protect Human Health Regulations 2011.

Identification of the consultancies does not imply that Council recommends their professional services, nor is the list exclusive. The list is to provide direction to people seeking professional advice. Organisations other than these may meet the requirements based on the practice areas of the personnel they employ.
