# Information evening

## Seismic assessment consultation - priority routes

Whanganui District Council is currently consulting the community on areas to prioritise for the seismic assessment of buildings.

As part of the consultation, the Council is inviting building owners to an information evening to let them know about seismic strengthening requirements and options.

**Date:** Monday, 27 May 2019

**Time:** 5:30pm-7.30pm

**Venue:** Whanganui War Memorial Centre

In this informal session, information will be presented by the Council, Heritage EQUIP and engineering firms.
