Rating Information Database available

Whanganui District Council's Rating Information Database (RID) is available for public inspection as per section 28 of the Local Government (Rating) Act 2002.

The RID contains a record of all information required for setting and assessing rates and allows for the calculation of rates liability for each rating unit.

The database is available to view between 8.00am and 5.00pm, Monday to Friday, in the Council's Customer Services area at 101 Guyton Street.

It is free to inspect the rating information database, but a fee may be charged to supply a copy of particulars from the database.
