

Explanations in this guide are intended to assist you to complete the Off-licence Forms numbers on the form relate to the explanatory notes in this guide

Background

It is a legal requirement under the Sale and Supply of Alcohol Act 2012 that you have a licence before you can sell or supply alcohol.

The District Licensing Committee (DLC) is part of the Whanganui District Council and is where you go to obtain a liquor licence.

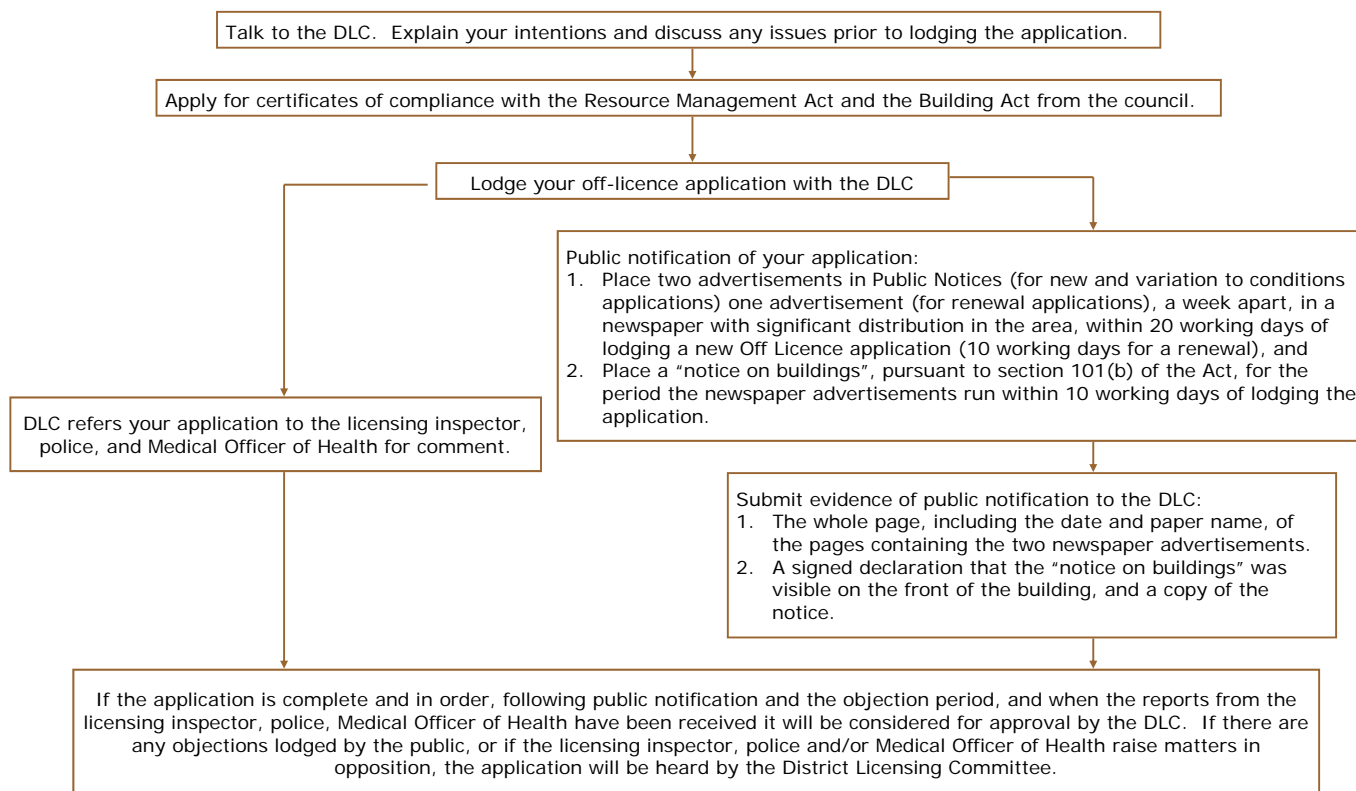

The object of the Act is to ensure the responsible sale and supply of alcohol. The process for issuing licenses means that checks are done to make sure

only people responsible enough to work within the objectives of the Act are granted permission to sell or supply liquor. There must be a person with a current managers certificate on duty at all times when liquor is being sold or supplied to the public.

What does 'off-licence' mean?

An off-licence authorises the holder to sell or supply alcohol for consumption on their premises, but alcohol cannot be removed from the site.

Process

Cost

The off-licence application fee and renewal fee is dependant on the cost/risk weighting of each premise, the weighting may vary depending on the type of off-licence you require/operate under, your trading hours and whether any enforcement action has been taken against your premise. You are also required to pay an annual fee also based on the cost/risk weighting.

You will also face advertising costs to meet the

public notice requirements (approximately \$150-\$200). New applications will also incur additional costs to obtain a Certificate of Compliance (\$120)

Processing times

It could take up to 8–12 weeks to process your application. If an objection is received, it could take longer.

The processing time is very much dependent on the applicant submitting a complete application with all attachments.

***An application for an Off-licence WILL NOT BE ACCEPTED unless a photocopy of the application form is attached**
